

*Sparking Imaginative Learning*

**Mad Science is the world's  
leading fun and hands-on  
science provider for kids!**

Mad Science of Houston  
has been teaching children  
all over the Houston area  
to learn to love science  
since 1995!

**MAD SCIENCE OFFERS EXCITING:**

AFTER-SCHOOL PROGRAMS • ASSEMBLIES • WORKSHOPS  
BIRTHDAY PARTIES • SPECIAL EVENTS • PRESCHOOL PROGRAMS  
VACATION & SUMMER PROGRAMS

Mad Science is brought to you by  
**Auburn Lakes  
Community Center**

Children will be dazzled as we explore  
physical and chemical changes  
throughout this show. Follow our friend  
Eggbert on his egg-citing journey. Witness  
the wonders of air pressure and an indoor  
firework show! For our finale, we end with  
a huge bubbling potion using our Special  
Mad Science Ice. You will have never seen  
kids so excited about science!
